

MOTION BY SUPERVISOR MARK RIDLEY-THOMAS

July 13, 2010

Proclaim July as Parks and Recreation Month

Throughout the United States, parks and recreation organizations will celebrate “Parks and Recreation Month” during July. “Parks and Recreation Month” is designed to encourage residents of all ages to visit their local parks and take part in the fun and health-conscious activities and programs that are available. The Los Angeles County Department of Parks and Recreation has 147 beautiful facilities where the public can play, recreate, get outdoors and be more active.

I THEREFORE MOVE THAT THE BOARD OF SUPERVISORS:

Proclaim July as Parks and Recreation Month throughout the County of Los Angeles and recognize the Department of Parks and Recreation for their dedicated efforts to educate residents and employees on the benefits of being healthy and staying active.

I FURTHER MOVE THAT THE BOARD OF SUPERVISORS:

Encourage all residents and employees of Los Angeles County to get outdoors, get active, and visit our many wonderful parks and recreation facilities.
